## Our history

Cree Wine Company is located in the historic Perryville Inn in Hampton NJ. Formerly the Perryville Tavern, it was built in 1813 on the stagecoach route between NJ and PA. It was a private residence for a time and was even threatened with demolition when I-78 was built. In 2021, Cree Wine Company lovingly renovated and restored this gorgeous building and transformed it into a warm and inviting space that retains all of its historic charm wrapped in modern comforts.

## Visit us

We welcome you to visit us for a tour of our private event spaces, and invite you to linger longer for a glass of wine, a wine flight, dinner, and to experience all that Cree Wine Company has to offer.

## About us

Cree Wine Company was founded by Chris Cree, New Jersey's only Master of Wine (MW), and one of only 56 MWs in the country and 418 worldwide. Our goal is to offer wine lovers of all types a better way to experience wine. We are a restaurant, wine bar and event space, offering our guests a beautiful setting to experience, appreciate and learn about the world of wine and food.
